

TACTICAL NIGHT VISION GOGGLES

PVS-7

PVS-7 is the MIL-SPEC, “single-tube, dual-eye” Night Vision Goggle system. Designed for army and law enforcement professionals, it is the preferred choice for conducting critical ground-based night operations. PVS-7 has been chosen, used and battle-proved by Armed Forces worldwide for over 40 years.

Using the best coated optics to enhance night-time performance as well as the best I2 tubes the PVS-7 from GSCI outperforms all other Night Vision Goggles on the market available today.
